St Aubyn's School Visitor Policy and Procedures

St Aubyn's School Visitor Policy and Procedures

Policy

Introduction

From time to time, St Aubyn's School will be visited by numerous people or organisations who fall within various visitor categories. For example: educational visitors, regular contractors, Governors, Inspectors and others.

The purpose of this Policy is to set out the School's legal obligations when inviting visitors to the School and to set out the standards of behaviour expected from them.

This policy should be read in conjunction with the School's Safeguarding Policy.

The procedure the School has put in place ensures that all obligations are met when arranging for a visitor to be on school premises. However, from time to time we may need to take a risk-based approach, but only when approved by the Head or Deputy Head.

When taking a risk-based approach you must ensure that you take the appropriate steps and action to ensure the School did everything to confirm and verify the visitor. The steps and action that were taken must be formally documented.

If you require further information on the School's risk-based approach, please contact the Head or Deputy Head.

Overview

The Prevent statutory guidance (<https://www.gov.uk/government/publications/prevent-duty-guidance>) expects schools to have clear protocols for ensuring that any visitors are suitable and are appropriately supervised. This Policy and these procedures have, therefore, taken the Government's Prevent Duty guidance and the School's wider safeguarding obligations into consideration.

St Aubyn's often invites people from the wider community to visit and enrich our pupils' experience. The School recognises the enormous benefit gained by pupils from people from all walks of life. Both the School and pupils greatly appreciate the time and effort that visitors put into their presentations.

The School's responsibility to pupils is to enable them to access the information they receive and to ensure that such information is sympathetic to the ethos and values of the School and British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Procedures

Staff must firstly discuss all requests for visitors with their line manager.

Once a visitor has been initially approved, the member of staff organising the visit and their line manager will use the criteria in the following section to determine which category from those listed below the person or organisation falls in to, either:

- 1 - Visitor (no ID or badge necessary)
- 2 - Visitor (badged but no ID necessary)
- 3 – Visitor (badge and ID check necessary) or
- 4 - Educational Visitor (full checks required).

They must then follow the correct procedure (1-4) as detailed in the next section.

Categories of Visitors

A visitor is a person or organisation who is not conducting regulated activity (definition, as per the ISI hand book, is below).

The definition of regulated activity (i.e. work that a barred person must not do) in relation to children comprises, in summary:

- (i) regular (see above) work in schools with opportunity for contact with children. Not work by supervised volunteers. **For example; Teacher or TA;**
- (ii) unsupervised activities: teach, train, instruct, care for or supervise children, or provide advice/ guidance on well-being, or drive a vehicle only for children, if done 'regularly' (see above);
- (iii) relevant personal care, e.g. washing or dressing; or health care by, or supervised by, a professional. This applies to any child, even if done only once.

Before/after school activity providers (eg LAMDA or Chess teachers), supply teachers and professionals providing personal care (eg therapists, counsellors, nurses) are not visitors as they are carrying out regulated activity. However, they would show ID on their first visit and be badged up for all visits.

Category 3 - Visitor badge and ID check required

The following visitors should:

1. Arrive at the main school reception and show original identification document, including a photograph, such as a valid passport or valid photo card driving licence.
2. Copies of the documentation must be taken by the member of staff who is responsible for the visitor and they must date and initial the copies as evidence. These copies will be given to the HR Administrator and retained by the School for our records. If the visitor does not have the required documentation, the Bursar and/or Deputy Head should be informed so that the potential risk can be assessed. However, this should have been discussed prior to the visitor arriving at the School.
3. The visitor will sign the visitors' book and will be issued with a visitors' badge and lanyard, which they must wear at all times whilst on the School site. The visitor must be supervised at all times by a School employee whilst on site and will, at no point be left unsupervised (unless stated otherwise below).

Category 4 Visitor - Educational Visitors:

Staff organising for visitors to visit the school for educational purposes will need to:

a) Complete the checklist (appendix 2) before confirming that the educational visitor will attend the School. This will take into account any vetting requirements considered appropriate in the circumstances, and will include a DBS check.

Please note, not all educational visitors will hold a DBS certificate. This must be established early to identify and resolve an issue that may arise, but does not necessary preclude them

b) The School will also conduct research on the visitor and/or their organisation. This research may include searching the internet for social media posts, websites, news stories, reviews and/or contacting trusted sources who know of the visitor. If the activity that the visitor runs has a potential hazard (eg animals, cycling etc) then a Risk Assessment (appendix 3) should be completed. The School will not use a visitor where any link is found to extremism, such as extremist groups and movements.

c) Contact the visitor using the approved educational visitor script (appendix 2). Obtain an outline of what the visitor intends to cover in advance of their visit. Ensure that their presentation/script is appropriate to the age of the pupils participating and does not undermine British values or the ethos and values of the School. The visitor must be given this policy/procedures and the School's Safeguarding Policy before they arrive and will have confirmed via email that the policy has been read.

d) Be present during the visit/talk, and monitor what is being said to ensure that it aligns with the values and ethos of the School and British values. In the unlikely event that the talk/presentation does not meet this requirement, the visitor will be informed that school staff have the right and responsibility to interrupt and/or stop a presentation. The member of staff will report this to Mr Shute, Designated Safeguarding Lead (DSL), as soon as reasonably practicable after the talk/visit.

e) Arrange for the visitor to be supervised at all times by a School employee whilst on site and, at no point, leaving them unsupervised on School site whilst pupils are present. In exceptional circumstances an educational visitor could be left unsupervised (eg cycle instructors who take groups all day) but this can only happen if we have proof that they have a clear DBS and a Risk Assessment has been completed.

f) Ensure that, on arrival at the main School reception, the visitor shows original identification document (including a photograph), such as a valid passport or valid photo card driving licence. This should be noted on the checklist. The visitor should also show their DBS certificate if they hold one. Copies of the documentation must be taken. The member of staff who is responsible for the visitor must date and initial the copies as evidence. These copies will be given to the HR Administrator and retained by the School for our records. If the visitor does not have the required documentation, the Bursar and/or Deputy Head should be informed so that the potential risk can be assessed. However, this should have been discussed prior to the visitor arriving at the School. The visitor will be issued with a visitors' badge and lanyard which they must wear at all times whilst on the School site.

Please note: Where the member of staff responsible for the visitor is unavailable, a member of SMT should be contacted by the Reception/Office Team. The member of

SMT will ensure the correct steps are followed. In the absence of the HR Administrator, copies of the ID documents must be given to the Bursar.

- a) **Speakers/Presenters/Demonstrators – on occasions may be family members of our pupils or former pupils and may not hold DBS certificates.**
- b) Referees
- c) Coaches
- d) Cookery Demonstrators
- e) Drama groups
