(New applicants)

Please read the Guidance Notes at the end of this document before  
completing this form

## Assessing your application – Data Protection considerations

The School reserves the right to make all decisions regarding your application for a Bursary, but employs the services of Bursary Administration Limited (BAL) to prepare the information which is used to make the decision.

This means that, for the purposes of your application:

- the school is the Controller of your information
- BAL is the Processor of your information
- BAL is registered with the Information Commissioner's Office and has satisfied the school as to its arrangements regarding the security of any information and documents you may provide as part of your application.

Please note that no application will be considered unless the process as detailed below is followed. **IN MAKING THIS APPLICATION AND COMPLETING THIS FORM YOU WILL BE TAKEN TO HAVE CONSENTED TO THE PROCESSING OF FINANCIAL AND PERSONAL DATA RELATING TO THE APPLICANTS, PERSONAL DATA RELATING TO THE CHILD, AND SENSITIVE PERSONAL DATA RELATING TO THE APPLICANTS AND THE CHILD. RELEVANT INFORMATION MAY BE OBTAINED FROM THIRD PARTIES. YOU ARE ALSO TAKEN TO HAVE CONSENTED TO THE FOLLOWING PROCEDURE:**

1. An Application Form will be completed and sent either to the school or directly to BAL as detailed at the bottom of the form. Supporting paperwork as required must be included.
2. If the Application Form and the supporting paperwork has been sent to the school this will be scanned and forwarded securely to BAL using Microsoft SharePoint so that BAL may prepare the information in the format required by the school.
3. If you have sent the form and supporting documents straight to BAL any original documents will be stored securely under lock and key and then returned to you at the time of the home visit, or if this is not possible BAL will return any original supporting paperwork to you by 'Signed-for' post. Please ensure that you arrange to collect the envelope if a card is left in your letter-box. If any envelopes are returned to BAL as 'uncalled-for' these will be held securely until the papers' whereabouts are queried.
4. BAL will contact you to make arrangements for a home visit if this has been required by the school, or to make enquiries which will ensure that any paper financial review is as correct as it can possibly be.
5. BAL will send its report on your application securely to the school through SharePoint and will then withdraw from the process unless the school has any further enquiries it wishes BAL to make.
6. BAL will return an original application form securely to the school, shred any scanned/photocopied evidence documents securely using an authorised service,

and scan and store securely on SharePoint its notes regarding your application; these notes will then be shredded securely using an authorised service. This process is undertaken once per year, and any papers (not your original supporting documents) will be held securely until then.

7. Your electronic records will be kept securely on SharePoint, and will be deleted four years after they are no longer required.
8. If the school has asked you to retain your application form and supporting documents in readiness for a home visit then BAL will follow procedure points 4 to 7 after the company has received notification of your consent to the company's involvement in your application process.

Please be assured that this process is undertaken for the purposes of considering your application for a Bursary only, and your information will not be passed to any third party or used in any other way whatsoever.

BAL can arrange to share reports between schools if you are applying to more than one school for a Bursary, but this will not be done without your written permission (email will suffice), and the permission of the school on whose behalf BAL first visited.

You are entitled to request that your information be deleted permanently at any time.

It should be noted that the report produced by BAL is the property of the school and the Information Commissioner's Office regards your report as confidential and exempt from the provision of Subject Access Requests.

**I/we have read the above and consent to my/ours and the child's/children's information being processed in the manner described above:**
